

SPECIAL EVENTS

**Say Goodbye to Boring School Assemblies and Events!
Add Some Sizzle to Your Science Nights!**

Grab your students' attention while providing your entire school with educational and entertaining science shows and hands-on fun stations.

Mad Science Shows and Assemblies Include:

- 45-minute stage show for kids ages 3-12
- Perfect for large groups of up to 300 kids
- A variety of different themes that demonstrate science concepts in a spectacular way

Mad Science Fun Stations Include:

- Hands-on, interactive science booths for kids ages 3-12
- Perfect for large groups of up to 300 kids
- Make-and-take activities available

**Our shows and fun stations can be combined to create
one action-packed event!**

Ask us about Mad Science on the Move an all day Mad Science Extravaganza!

Mad Science on the Move includes:

- Assembly for the whole school (multiple repetitions if necessary)
- Hands on Exploration Stations for all students to explore
- Trained Mad Scientists so no need for parent volunteers
- Mad Science coordinator to make the day run smoothly
