

WORKSHOPS

**Take Your Students on a Field Trip
Without Ever Leaving the Classroom!**

Mad Science offers curriculum-correlated, hands-on preschool and elementary-level workshops for kids that complement concepts taught in class.

Mad Science Workshops Include:

- A 45-minute to 1-hour science-themed workshop designed for preschoolers, grades K-2, and grades 3-6
- A Teacher Resource Guide filled with pre-and-post activities
- A variety of different themes to choose from that cover a wide-range of STEM subjects, from engineering to biology
